**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in San Francisco and depend on Sonic, a local ISP, for home internet. They depend on unbundled copper and fiber lines and offer much more competitive speeds and rates than the big carriers in the area, AT&T and Verizon. By removing this option our household would be forced to pay more for a large carrier and much worse speeds. Please do not accept the USTelecom petition.
